District Stipulations

Construct an approach road along the north side beginning at a point 680' west of the east line of Section 2, T15N, R41W, Keith County, 1270' west of Milepost 123.

Traffic Control

Performance Guarantee: N/A

This guarantee will be deposited to the credit of the State. Upon satisfactory completion of the work, a warrant will be issued to the permittee in the amount of the guarantee less any expense incurred by the State.

Voucher and warrant for return of guarantee shall be made payable to:

This permit is issued subject to existing Rules and Regulations of the Nebraska Department of Transportation and to the applicable Specific Instructions and Restrictions attached hereto; and any violations of the Rules and Regulations or Specific Instructions and Restrictions shall cause automatic revocation of this permit; and any and all improvements made pursuant to this permit may be removed by the Department of Transportation at applicant, permittee or the improvement owner's expense. The applicant, permittee or owner of the improvement understands that this permit does not confer a vested right in lands of the public; and where the Department of Transportation deems it necessary to improve its highway and right of way, any improvement constructed on public land by the permittee, applicant or owner of the improvement will be moved or reconstructed by the permittee, applicant or improvement owner, successors or assignees shall be performed at the applicant, permittee or improvement owner's expense. The issuance of this permit to perform work on the public right of way is considered to be issued to the owner of the improvement placed upon the right of way even though such application is made by the owner's contractor. Additional information may be obtained from our District Engineer, **Cameron Craig** of **North Platte, NE** or from the Permit Officer at 1500 Highway 2, Lincoln, Nebraska.

Approved 09/01/2026 for
