Subject: Keith County Road Specs
Attachments: Art. 3.pdf; Regs. Sub Design Standards.pdf; nac-428-rules-regs-nbcs.pdf

Hi Darrell,

Thank you for your call regarding road specs. As discussed, I have attached information on the minimum standards for roads. I have also attached the portion of the regs that outlines the requirement for roads. The good news is, both AAA and Alta Vista are exempt from the road specs, as those roads were platted prior to Keith County having zoning regulations.

Sincerely,
Ms. Cody Fenwick
Keith County Zoning Administrator
